***Detroit: Become Human™ Original Soundtrack Volume 2* at Quantic Dream Eshop: <https://shop.quanticroam.com/>.**

Today, Quantic Dream is proud to launch the *Detroit: Become Human Original Soundtrack Volume 2*, featuring iconic musical themes of Connor, Kara and Markus, and tracks from local artists who contributed to making the city of Detroit the fourth character of the game.

Relive some of the most exciting and emotional moments from the award-winning *Detroit: Become Human™*, presented across a two-disc package available at an SRP of €44,99. This vinyl is the second edition produced by the studio after the first limited edition launched back in September 2020.

On disc A, reexperience the cold and clinical personality of Connor with the electronic soundtrack of Nima Fakhara, feel the moving and emotional quest of Kara with Philip Sheppard's orchestral creation, and join the fight for android freedom with Markus and Jericho thanks to John Paesano's composition. On disc B, discover a selection of eight talented independent Detroit-based artists who helped bring the spirit of their beloved city to the game, from soul to techno, blues to hard rock.

This exclusive and limited run of *Detroit: Become Human™ Original Soundtrack Volume 2* is available today on the official online Quantic Dream store at <https://shop.quanticroam.com/>.

Detroit: Become Human™ puts the fate of humanity and androids in your hands. In a near future, where machines have become more intelligent than humans, every choice you make will affect the story's outcome, thanks to one of the most elaborate interactive narratives ever written. *Detroit: Become Human* has established itself as a critical and financial success, recently exceeding 7 million units sold worldwide. It is currently available on PC.
